

Island Academy International

Dear Parents and IB Students,

Welcome to the programme. As an IB graduate you will be in good company-the International Baccalaureate Programme is the fastest growing 16-19 course in the world!

Your first day in the programme will be Tuesday, September 1, 2015.

You will need the following core textbooks. Please do your best to buy them over the next 12 weeks. If you are unable to buy them you may be able to copy the school's master copies or borrow a book from school. However, your own core texts are always best!
